Gentlemen.—I hereby certify that I have had Catarrh for ten years, and for the last six years have been a terrible sufferer. I was fendered partially deaf, had buzzing in the head, pains across the temple, dizzy spells, weak and painful eyes, swollen and ulcerated tonalls, hard and constant cough, severe pain across the chest, and every indication of consumption. My head ached all the time. The matter accumulated so rapidly in my head and throat that I could not keep them free. Frequently at hight I would spring out of bed, it seemed to me, at the point of suffocation. I would then have recourse to every means in my power to dislodge the mucus from my throat and head before being able to sleep again. For a period of six years my tomals were ulcerated and so much infamed that I could with difficulty swallow. I finally consulted an omilient surgeon in regard to an operation on them, but at his request postponed it. The constant inflammation and ulceration in my throat caused by the poisonous matter dropping down from my head had so irritated and inflamed my image that I could my system begant to show the effects of this disease, so that I lost fiesh, grew pale, and showed every symptom of an early death by consumption. When matters had reached this stage, or about six months ago, I began the use of Saxpone's Rancial Course for Example. After using the first bottle I began to improve rapidly. The first does accomed to clear my head as I had not known it to be for years. It seemed gradually to arrest the discharges. If stopped my cough in three days. By using it as a gargiel soon reduced the inflammation and swelling of my torsile, so that the poon ceased do trombio me. The sorrows across my chest disappeared, the buzzing rooks in my head ceased, my senses of

ing timy torsis, so that they soon ceased to trouble me. The soreness across my chest disappeared, the buzzing noises in my head ceased, my senses of seeing and of hearing were completely restored, and every symptom of disease that had reduced me to the verge of the grave disappeared by the use of SANFORD'S RADIOAL CURB FOR CATARRIL.

I have been thus explicit because, as a druggist, thave seen a great deal of smilering from Catarril, and hope to convince many that this is a great remedy.

remety.

I am fauillar with the treatment of Catarrh as practised by the best physicians, and have consulted the most eminent about my case. I have used every kind of remedy and apparatus that have appeared during a period of six years past, and have, while following their use, taken great care of my general health, but obtained no relief or encouragement from any of them.

Investigators of natural science have demonstrated beyond controversy, that throughout the animal kingdom the "survival of the fittest" is the only law that vouchsafes thrift and perpetuity. Does not the same principle govern the commercial prosperity of man? An interior cannot supercede a superior article. By teason of superior ment, Dr Pierce's Standard Medicines have outrivaled all others. Their sale in the United States alone exceeds one million dollars per annum, while the amount exported foots up to several hundred thou sand more. ROOSFORT, Mass., April 2, 1874,
Mr. Editor-Having read in your paper the reports of the remarkable cures of catarra, I am induced to tell what I know about catarra, I am induced to tell what I know about catarra, I am induced to tell what I know about catarra, I am induced to tell what I know about catarra, I am induced to tell what I know about catarra, and I fancy the 'sould' analysis and 'sticks' would not search a similar cure in the papers. For 29 years I subcred with catarra. The masal passages became completely closed. Snuff. dust, sakes, inhaing tubes and 'sticks' would not work, though at intervals I would sniff up the 30-catled catarra snuff, until I became a valuable teater for such medicines. I gradually grew worse and no one can know how much I suffer ed or what a Enserable being I was. My head ached over my eyes so that I was confined to my bed for many successive days, suffering the most intense pant, which at one time lasted for its hours. Alli sense of taste and smell gone, sight and hearing gone, nervous system shattered and constitution broken, and I was hawking and spitting seven-eights of the time. I prayed for death to relieve me of my sufferings. A favorabir notice in your paper of Dr. Sage's Catarra itemesty induced me to purchase a package and use it with Dr. Sage's nasal douche, which applies the remedy by hydrostatic pressure, the only way compatible witnogamon sense. Well, Mr. Editor, it did not care far in three-fourths of a second, nor in one hour or month, but in less than eight minutes I was relieved and in three months entirely cured, ond have a mained at for over 18 months, while using the Catarra temedy I used Dr. Pierce's Golden Medical Discovery to purify my blood and strengthen my stomach. A also kept my liver active and bowels regular by the use of his Pleasant Purgative Pellets. If my experience will induce other sufferers to seek the same means of relief, this letter will have answered its purpose.

Yours, truly.

Golden Medical Discovery

By reason of its alterative properties, cures diseases of the Blood and Skin, as 8-rofula, or King's Evil; Tumors; Eleers, or Old Sores; Blotches; Pimples; and Eruptions. By virtue of its Pectoral properties, it cures Bronchial, Throat and Lung Affections; Incipient Consumption; Lingering Coughs; and Chronic Laryngits. Its Cholalogue properties, and Chronic Laryngits. Its Cholalogue properties reader it an unequaled remedy for Bilhousness; Torpid Liver, or "Liver Compilant;" and its Tonic properties make it equally efficacious in curing Indigestion, Loss of Appetite and Dypepsia.

Where the skin is sailow and covered with blotches and pimples, or where there are scrofulous affections and swellings, a few bottles of Golden Medical Discovery will effect an entire cure. If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish-brown spots on face or body, frequent headache or diziness, had taste in mouth, internal heat or chills alternated with hot flushes, low spirits and gloomy forebodings, irregular appetite, and tongue couted, you are suffering from Torpid Liver or "Billousness." In many cases of "Liver Complaint," only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medicial Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.
